

How do I report my scholar's absences during remote learning?

Step 1

Message your scholar's teacher through "Remind"

Step 2

Call and/or email school attendance person and notify them of the absence

Step 3

When a child returns to Zoom class, write a note, take a picture and send to the attendance person's email.

Please see the list below of the attendance & secretary's emails:

Note: If there is not an attendance email, send your message to the secretary email.
