

SAFE SCHOOLS

YCS Families and Students:

At Youngstown City Schools, the safety and security of our students and staff is one of our highest priorities. As the new school year begins, you will see many proactive security measures in place at your school.

In our secondary schools, expect to see police officers and the use of metal detectors. Anyone entering our buildings may be subject to a search. We will also use search dogs in our parking lots and student lockers. You will notice new security cameras on our buses, as well as security cameras, door buzzers and electronic devices such as radios and cellular phones. Our schools will also benefit from our partnerships with Metro, YPD and Mahoning County Sheriff's Department and YSU police. police in secondary schools.

We ask that our families call their school if they hear anything that may that may lead to a school incident. Families and students can also call our Help Hotline Crisis Center at 330/747-2696 any time of the day.

Let's work together to keep our children safe.
