

**Youngstown City School System
Ohio Resident Educator Summative Assessment (RESA)
Parental Consent Form for Videotaping**

The Ohio Resident Educator Summative Assessment (RESA) is one of the requirements for teachers registered in the Resident Educator Program to obtain a professional license. To complete the RESA, teachers will need to videotape themselves teaching four times during the school year. Consequently, it may be possible that your child will be videotaped. The focus of the video is the teacher's instruction. **The sole use of the videos is for the development and implementation of the RESA field test project.**

The videos will not be used for any other purposes than the following:

1. Professional Development of Resident Educator program mentors and educators within Ohio.
2. Scoring of the Resident Educator Summative Assessment.

The district seeks parent/guardian consent to videotape your child for the purposes stated herein. Please acknowledge receipt of this release request by signing and returning the below consent form by _____ to your child's teacher. Your decision about whether or not to allow your child to participate will not affect his/her academic standing or grade in the class.

If you do not consent to the videotaping of your child under these circumstances, the district will honor your decision.

I consent to the videotaping of my child(ren): _____

I do not consent to the videotaping of my child(ren)_____
