

Resources for Internet Safety and Cyberbullying

Parents,

Here are some websites that provide useful information about safe use of Internet, cyberbullying and Youngstown City School District's policy.

- [Brainpop](#)- Plenty of resources available here, including videos, quizzes, activities, etc. for all areas of digital citizenship, including cyberbullying
- <http://www.stopcyberbullying.org/index2.html> - Good site with loads of information, quizzes, etc. Sections for different aged students, parents, educators, law enforcement
- <http://cyberbullying.org/resources/parents/> - Research center on cyberbullying, includes a Blog, great resources for all. Step-by-Step instructions to help prevent anyone from bullying you
<http://www.neola.com/youngstowncity-oh/> Go to Students, then 5517.01 for the bullying policy of YCSD. This is the official Policy for our students
- <http://www.netsmartz.org/> - Very thorough site with outstanding resources for cyberbullying and all digital citizenship. Videos and presentation materials for students, parents, educators, law enforcement
- <https://www.betterinternetforkids.eu/> - Website of Insafe, a European network of Awareness Centres promoting safe, responsible use of the Internet and mobile devices to young people. Site includes great resources
- <http://mrsa.wikispaces.com/Internet+Safety+Curriculum+Resources> - Amazing listing of a multitude of sites dealing with safe internet use, cyberbullying, and digital citizenship. This is a teacher's wiki, so it will change and get updated as new resources come to her attention.
- <http://www.stopthinkconnect.org/> - Good site with loads of resources. Appropriate for older children and teens, as well as adults.
- http://www.teachinctrl.org/?utm_source=ISTE&utm_medium=JanEmail&utm_campaign=InCtrl- Key digital citizenship lessons for grades 4-6, which are designed to teach students through inquiry.
